As you are required by UKVI to demonstrate maintenance (evidence to show you have sufficient funds to cover your tuition fees and living costs), you are required to upload this evidence via the applicant portal <https://e-vision.tees.ac.uk> before you will be considered for a CAS. We will only issue your CAS number once we are satisfied with the maintenance documents that you have provided to us. This is for us to determine that you have satisfactory evidence to submit to UKVI as part of your Student Visa application to demonstrate your funds and to mitigate the chance of your visa being refused. Please check tees.ac.uk/international/immigration for guidance on the University's process for receiving a CAS.
