Date: 28<sup>th</sup> September 2021.

On the occasion of International Day for Universal, Access to Information (IDUAI) the NSS unit of CNCVCW organized a seminar on the topic "The Right to Information Act- Rules and Procedures" for teaching and non-teaching faculty on 28<sup>th</sup> September 2021 at 01.30 pm in IQAC Room. Ms. Tejaswini Chile, (Asst. Prof., Dept. of Communication & NSS Coordinator) welcomed the audience with his speech on why RTI is relevant today. She said that many consider democracy as the best form of governance. However, in that context, she said that there needs to be a rethinking on whether India's democracy belongs to its people. Presently, accountability is only at the level of the legislature and Parliament. However, as past experience demonstrates, it has not delivered the right result. She said that the bureaucratic system in the country must be made germ-free and the disinfectant is transparent. The tool to bring about such transparency is an act like the Right to Information Act, 2005.

She also introduces the Chief Guest of the Principal, Dr. A.R.Kulkarni felicitated the Chief Guest by giving the folder made by Fashion Designing Department Students.

Firstly, in his speech, Dr. Suresh Apate said about The Philosophy of RTI in that he presented the government's agenda about good governance and transparency. The bureaucracy exists not merely to run the country. Bureaucrats have to ensure that promises made in the Constitution to the poorest of the poor are implemented. The government has, as part of its agenda, linked RTI to good governance in the 10th five-year plan. RTI is an implied fundamental right and follows from Article 19 (Freedom of Speech and Expression) –without information, citizens cannot be expected to form opinions and express them. Article 21 (Right to life and liberty)-people have a right to information that concerns their life and physical liberty.

Secondly, he discussed The Right to Information Act 2005 In that he presented the aimed to orient and sensitize the participants to the contents of the RTI Act 2005. He explained that the RTI Act 2005 aimed to provide a legal right to the citizens to obtain information under the control of public authorities, and thereby provide transparency and accountability in governance to India's citizens. He explained the details of the Act about what is the right of a citizen, what are the types of information s/he can obtain under this Act, what are the types of records that can be obtained, what are the obligations of public authorities the roles and responsibilities of Public Information Officers (PIO) and Assistant Public Information Officers (APIO), Central and State Information Commissioners, exemptions, the period for providing information, rejection of information request, the fees applicable, etc.

Thereafter, Ms. Tejaswini Chile, (Asst. Prof., Dept. of Communication & NSS Coordinator) introduces the Principal, Dr. A.R.Kulkarni. He delivered the speech telling us RTI Act should not be seen as an imposition. This is an Act that will help the government serve its citizens better. Mrs. Yogita Mirajkar (Asst. Prof., Dept. of Food Technology and Science) proposed the vote of thanks. The program was concluded by Ms. Tejaswini R. Chile (Asst. Prof., Dept. of Communication & NSS Coordinator). The seminar was informative and knowledgeable.
