## UNIVERSITY GRANTS COMMISSION

### Guidelines for Institutional Fitness Plan in the Higher Educational Institutions

*Whereas fitness has always been an integral part of our life;*

*Whereas modern technologies have led to a sedentary lifestyle and the modern conveniences have diminished the demand for physical activities;*

*Whereas junk food/fast food have contributed to an unhealthy lifestyle;*

*Whereas lifestyle diseases are on the rise due to lifestyle disorder;*

*Whereas the government has given fitness a national priority to motivate every person to come up to sound physical standards; and*

*Whereas the educational institutions are uniquely placed to promote fitness and well-being among students, teachers and staff in the Higher Educational Institutions (HEIs).*

The University Grants Commission hereby issues the following guidelines to promote a campaign for fitness in the Higher Educational Institutions (HEIs):

#### **Guidelines**

##### **Scope of Guidelines:**

- (a) These guidelines are applicable to all Higher Educational Institutions (HEIs) in the Country
- (b) They encourage HEIs (universities and colleges) to adopt policies and practices towards fitness and well being of students and staff.

##### **Implementation of Fitness plan:**

All HEIs need to accord high priority to physical and mental fitness of students, faculty and staff in the campus. They should evolve a mechanism for implementation and monitoring of such activities. The following indicative guidelines/steps may be taken in this regard:

1. Incorporating provisions of healthcare and wellness initiatives in the objectives of the institution.
2. Physical fitness period or time slots may be incorporated into the academic calendar of the institutions. The physical fitness time slots may be staggered throughout the day to enable all students to participate.
3. All the students, staff and teachers should be encouraged to devote minimum one hour per day on fitness activities such as exercise, yoga, meditation, walking, cycling, aerobics, dance, traditional regional martial arts etc.

  
PRINCIPAL,  
College of Non-Conventional  
Vocational Courses For Women  
Kolhapur

4. Institutions should prepare Fitness Leaders to mentor students for physical fitness. Services of student volunteers from the institutions, faculty members, instructors, ex-servicemen, and other volunteers may be obtained on voluntary basis. Health icons and motivational speakers on health and fitness to address students in campus should be invited.
5. Top leadership of the institution and professors may actively participate with students and staff in fitness activities such as cycling, running, aerobics, walkathon, marathon, yoga, meditation activities etc. on a periodic basis to lead by example.
6. Proper utilization of existing infrastructure, encouraging students to climb stairs, walk at least 10000 steps a day, use cycles within campus by creating cycling zones, availing gymnasium facilities etc.
7. Addressing the emotional concerns of students to promote mental health. Awareness or sensitisation workshops on depression, anxiety and stress management may be organized for faculty and students.
8. Providing guidance regarding balanced nutritional diet, distribution of pamphlets and information material on the subject.
9. Frequent organization of sports activities (at least once in a quarter) and encourage students to participate in such activities.
10. Annual health check-ups by volunteer health doctors or voluntary organisations to monitor health & fitness of students, faculty and staff.
11. Data pertaining to health and fitness activities of institutions should be placed on the website. Exemplary performers may be selected subsequently for National level awards.

# Heartfulness

## ABOUT US

A young adult spends the majority of their day involved in their university and university related activities. These pursuits may be academic or extracurricular but are heavily motivated and influenced by the values of the institution and the interest of the students. It is also a well-known fact that India produces some of the world's brightest students - who go forward in their lives to become stellar engineers, doctors, architects, and a plethora of other professionals. Our students aspire to become world leaders in their respective fields and in order to support this aspiration it is our responsibility to teach them to regulate their mental and physical abilities.

With the wellbeing of all the people on campus in mind, the Heartfulness institute would like to propose a series of offerings to establish a peaceful, harmonious setting across University campuses in India. The Heartful campus program is designed to evoke peace, harmony, and well-being amongst all campus dwellers using meditation as the fundamental tool. We have a range of offerings starting with the senior leaders of the institution who set the direction, the faculty who are directly involved with the students, the students themselves, the administrative staff who keep the institution running, the counselors who are directly concerned about the mental well-being of the students, and the parents who send their wards to the institution with lot of hope and faith.

Heartfulness Education Trust (HET) comes under the umbrella of a group of organizations, including Shri Ram Chandra Mission (SRCM), Sahaj Marg Spirituality Foundation (SMSF), and Heartfulness Institute (HI), all working towards the common cause of social transformation by offering self-development meditation tools for individual change.

**Date: 21<sup>st</sup> June 2022**

Yoga's significance in our lives cannot be overstated. It has proven to be a blessing in a world that is struggling to cope with a fast-paced lifestyle and the negative consequences of the Covid-19 pandemic. Yoga asanas have wowed people all around the world. As a result, the International Day of Yoga is significant in our lives.

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice that plays an important role in relaxing the mind and body and boosting people's immune systems.

The idea of the International Day of Yoga was first proposed by Prime Minister Narendra Modi in 2014. The first International Day of Yoga was celebrated the next year on June 21. The day is recognized by the United Nations. The theme for this year's International Day of Yoga is 'Yoga for Humanity'. It focuses on how yoga may help people achieve holistic health.

Today, on 21st June 2022, CSIBER Trust's CNCVCW celebrated the 8th International Yoga Day from 09 am to 10 am at the Basement Hall. It was attended by thirty-five Professors and administrative staff with great enthusiasm.

The event began with a brief introduction on Yoga Day by NSS Coordinator Ms. Tejaswini Chile by welcoming the guest of honour Principal Dr. A. R. Kulkarni as Yoga Instructor. The session began by seeking the blessings of the Almighty by chanting the prayer by Asst. Prof. Ms. Swarda Deshpande. The yoga instructor, Principal Dr. A.R. Kulkarni, took the yoga session with great dedication. The teachers and administrative staff participated with full interest, enthusiasm, and eagerness. Asanas starting with warming up and stretching were followed by a series of Padmasana, Sukhasana, Tadasana, and Bhujang Asana and ending with Garudasana. Exercises for relieving stress, reducing joint pain, and enhancing the flexibility of the back were also done for the benefit of the teachers.

The program concluded with the Sankalpa and Shanti path. In a nutshell, the event was a great success and reflected the theme "Yoga for Humanity". The 8th International Yoga Day celebrations ended with a huge success under the supervision of the NSS Coordinator Ms. Tejaswini Chile and NSS Chairperson Mrs. Archana Patil.

The function ended with a vote of thanks by Mrs. Anuradha Kumbhar Coordinator of the Day Observing Committee.

A Report On

## World Food Day, 16<sup>th</sup> October 2021

### Background

World Food Day is globally celebrated on 16<sup>th</sup> October every year. It is hosted annually by the Food and Agriculture Organization (FAO). Originally, the day was marked to celebrate the establishment of FAO in the year 1979 but gradually over a course of time it led to raising awareness for hunger, malnutrition, sustainability and food production. Collective action across 150 countries is what makes the World Food Day one of the most celebrated days of the UN calendar. The theme for this year's World Food Day was 'Our Actions Are Our Future'. It aims to stand as a rallying call to inspire everyone on the agri-food system. The FAO's ambition is to support the development of a system that offers 'Better Production, Better Nutrition, a Better Environment and a Better Life'. Hundreds of events and outreach activities bring together governments, businesses, NGO's, media and general public.

### Events Organized

Department of Food Technology had arranged Quiz and Online Cooking competition. Word play quiz was organized for the B.Sc. (FTM- I). The theme for cooking competition were Micronutrient Rich Product (Vitamins & Minerals) for B.Sc. (FTM- II) and Innovative Product Development along with their label designing for B.Sc. (FTM- III). **Report**  
**on**  
**Celebration of "World Consumer Rights Day"**

The consumer movement marks 15th March with World Consumer Rights Day every year, as a means of raising global awareness about consumer rights and needs. Celebrating the day is a chance to demand that the rights of all consumers are respected and protected, and to protest against market abuses and social injustices which undermine those rights.

World Consumer Rights Day was inspired by President John F Kennedy, who sent a special message to the US Congress on 15th March 1962, in which he formally addressed the issue of consumer rights. He was the first world leader to do so. The consumer movement first marked that date in 1983 and now uses the day every year to mobilize action on important issues and campaigns.

The program was started on 15<sup>th</sup> March 2022 at 12.00 pm with B.Com. (Bank Management) Part I Student Ms. Vaishnavi Chavan welcoming all the students and staff of Commerce Department followed by Ms. Sagarika Bhosale Student of B.Com.(Bank Management) Part II giving information about Consumer Rights. Students of B.Com. (Bank Management) Part II and Part I Performed act on "Jago Ghrahak Jago". Vote of Thanks was proposed by Ms. Shamal Pawar Co- Ordinator of Commerce Department.

Following students from the Department of Commerce, B. Com (Bank Management) participated –
