A Report On

World Food Day, 16th October 2021

Background

World Food Day is globally celebrated on 16th October every year. It is hosted annually by the Food and Agriculture Organization (FAO). Originally, the day was marked to celebrate the establishment of FAO in the year 1979 but gradually over a course of time it led to raising awareness for hunger, malnutrition, sustainability and food production. Collective action across 150 countries is what makes the World Food Day one of the most celebrated days of the UN calendar. The theme for this year's World Food Day was 'Our Actions Are Our Future'. It aims to stand as a rallying call to inspire everyone on the agri-food system. The FAO's ambition is to support the development of a system that offers 'Better Production, Better Nutrition, a Better Environment and a Better Life'. Hundreds of events and outreach activities bring together governments, businesses, NGO's, media and general public.

Events Organized

Department of Food Technology had arranged Quiz and Online Cooking competition. Word play quiz was organized for the B.Sc. (FTM- I). The theme for cooking competition were Micronutrient Rich Product (Vitamins & Minerals) for B.Sc. (FTM- II) and Innovative Product Development along with their label designing for B.Sc. (FTM- III). Also, General Quiz was organized which was based on food, was open for all the other colleges and about 135 respondents solved the quiz. Whereas, there were 9 participants for the online cooking competition. Certificates were issued to all the qualifying winners.
