College of Non – Conventional and Vocational Courses for Women, CSIBER, Kolhapur

2.1.2. Justification for category wise less admission

As a part of admission process, college gives admission to students to various programmes purely on merit basis following the reservation policy of Government of Maharashtra (50% open 50% reserved). Before the admission, applications received from the students are scrutinized and then the merit list is prepared. In last five years it is observed that number of applications received under respective reserved quota is less than the seats reserved from the Government of Maharashtra. This is the main reason for lower admissions under reserved categories. In such cases vacant seats under reserved category are allotted to the students of open category. This results in higher number of admissions under open category than allotted quota of 50%.
