ABOUT KOLHAPUR

Kolhapur district is the south most district of Maharashtra, it is situated on the banks of river Panchganga and is known as Dakshin kashi. Kolhapur is blessed by presence of Goddess Mahalaxmi and is one of the shaktipeeth mentioned in Indian mythology. Kolhapuri Chappals, silver jewellery and wrestling. It is one of the most important agricultural advanced districts in Maharashtra and also in India. There are three MIDCs and foundry products of Kolhapur have made the name throughout the world. The five star MIDC which have been recently established has remain attractive destination for many Multinational Companies in textiles, auto parts and IT. There is well established network of sugar co-operatives. This district has highest per Capita Income in Maharashtra state.

ABOUT THE College

The institute CSIBER has been named after Rajashree Shahu Maharaj of Kolhapur, who was known for love and affection for the lowest and loneliest of his subjects. He was instrumental in spreading education and message of equality amongst the people in the beginning of the 20 century. Taking this into consideration Late Prof. Dr. A. D. Shinde, the renowned C.A., established "Chhatrapati Shahu Institute of Business Education and Research (CSIBER)" in July 1976. The institute offers post graduate courses in Management, Social work, Computer science, Environmental science. The institute started college of Non-Conventional Vocational Courses for Women in 1994. The College is recognized by Government of Maharashtra and is affiliated to Shivaji University, Kolhapur since 1999 College has been reaccredited by NAAC, Bangalore with 'B' Grade. Our College offers following Programme :

INVITATION

Dear Sir/Madam,

We cordially invite you for the one day national conference to be organized by our college for the National Conference on 6th March 2020.

ABOUT CONFERENCE

Developments in Food Technology have contributed greatly to the food supply and have changed the world. As a matter of fact food processing and packaging business has reached multi trillion dollar. This recent change is not just to meet the productivity demands but to adopt sophisticated automation control and monitoring methods and techniques. The contentious growth has effectively brought a paradigm shift in fitness applications.

Therefore, the purpose of conference is to share and exchange views and ideas on sustainable food supply with health as a vital perception.

OBJECTIVES

- 1) To bring together academicians, professionals, researchers and experts to discuss upon innovative ideas and technological advancement in food technology and nutrition.
- 2) To discuss the importance of minimal processed foods.
