CSIBER Trust's CNCVCW and Art of Living Foundation organized a collaborative workshop on 'The Covid Care Program' for the faculty members of the CSIBER Trust's institute from 19<sup>th</sup> July to 22<sup>nd</sup> July 2021, from 07.00 pm to 08.00 pm in online (Google Meet) mode. Art of Living sessions were conducted in a series of three protocols consisting of asanas, meditations, and breathing exercises or pranayamas to improve people's immunity, boost their mental resilience, and provide peace of mind. Yoga, breathing exercises, and meditation significantly reduce fear and anxiety thereby maintaining good physical and mental health. The 30 minutes protocols of Asanas, Pranayama & Meditation were delivered in three categories:

1. For a healthy population in order to help them build overall immunity and lung capacity.
2. Supportive intervention of effective breathing exercises and stretches for patients with mild symptoms either at home or in hospitals.
3. Supporting rehabilitation and recovery during Post Covid.

As per the above protocol, a 3-day program of immunity enhancement was conducted for faculty by Mrs. Leena Pandit and Ms. Tanuja Sardesai. These sessions helped participants to achieve a relaxed state of mind that enables healing and regeneration. This event was coordinated by Ms. Tejaswini Chile (Asst. Prof. of Communication Skills and NSS Coordinator).

**Date: 04<sup>th</sup> February 2022.**

On the occasion of Commemoration Day of Late Dr.A. D. Shinde of CSIBER Trust's theCNCVCW NSSunit has organized a Vaccination Drive on 03<sup>rd</sup> Feb. 2022 on the college campus from 10, am to 02 pm in collaboration with Kolhapur Municipal Corporation, Kolhapur (Annexure 01).

The NSS members have taken an online survey before the vaccination drive to collect data, with the objective to know the status of Covid-19 Vaccination with regards to i) Date of first vaccination, ii) Due date for 2<sup>nd</sup> vaccination, iii) Precaution dose, so that the vaccination drive will be organized approximately. Above, 190 students participated in this online survey conducted through the Google Form (Annexure 02).

The Medical Officer of Savitribai Phule Hospital Dr. Ruksar Momin had supported this program. The health worker of Savitribai Phule Hospital Mrs. Rekha Jadhav and Mrs. Vanisha Shinde worked from 10 am to 02 pm in the campus for a vaccination drive. The team was very cooperative.

Total 54 students, parents, and teaching and non-teaching staff members were given Covishield as vaccine first, second, and precaution doses as per their vaccination schedule. Later on, they were asked to follow the suggestions as per the doctor's advice (Annexure 03).

The use of face masks is now emerging as one of the main pillars in keeping away the COVID-19. In this view, the distribution of masks has been done without violating the rules of social distancing by the NSS Unit.

NSS volunteers were actively participated to conduct this drive smoothly.

Photos of the Vaccination Drive are attached herewith (Annexure 04).

UNIVERSITY GRANTS COMMISSION

**Guidelines for Institutional Fitness Plan in the Higher Educational Institutions**

*Whereas fitness has always been an integral part of our life;*

*Whereas modern technologies have led to a sedentary lifestyle and the modern conveniences have diminished the demand for physical activities;*

*Whereas junk food/fast food have contributed to an unhealthy lifestyle;*

*Whereas lifestyle diseases are on the rise due to lifestyle disorder;*

*Whereas the government has given fitness a national priority to motivate every person to come up to sound physical standards; and*

*Whereas the educational institutions are uniquely placed to promote fitness and well-being among students, teachers and staff in the Higher Educational Institutions (HEIs).*

The University Grants Commission hereby issues the following guidelines to promote a campaign for fitness in the Higher Educational Institutions (HEIs):

**Guidelines**

**Scope of Guidelines:**

- (a) These guidelines are applicable to all Higher Educational Institutions (HEIs) in the Country
- (b) They encourage HEIs (universities and colleges) to adopt policies and practices towards fitness and well being of students and staff.

**Implementation of Fitness plan:**

All HEIs need to accord high priority to physical and mental fitness of students, faculty and staff in the campus. They should evolve a mechanism for implementation and monitoring of such activities. The following indicative guidelines/steps may be taken in this regard:

1. Incorporating provisions of healthcare and wellness initiatives in the objectives of the institution.
2. Physical fitness period or time slots may be incorporated into the academic calendar of the institutions. The physical fitness time slots may be staggered throughout the day to enable all students to participate.
3. All the students, staff and teachers should be encouraged to devote minimum one hour per day on fitness activities such as exercise, yoga, meditation, walking, cycling, aerobics, dance, traditional regional martial arts etc.

4. Institutions should prepare Fitness Leaders to mentor students for physical Fitness. Services of student volunteers from the institutions, faculty members, instructors, ex-servicemen, and other volunteers may be obtained on voluntary basis. Health icons and motivational speakers on health and fitness to address students in campus should be invited.
5. Top leadership of the institution and professors may actively participate with students and staff in fitness activities such as cycling, running, aerobics, walkathon, marathon, yoga, meditation activities etc. on a periodic basis to lead by example.
6. Proper utilization of existing infrastructure, encouraging students to climb stairs, walk at least 10000 steps a day, use cycles within campus by creating cycling zones, availing gymnasium facilities etc.
7. Addressing the emotional concerns of students to promote mental health. Awareness or sensitisation workshops on depression, anxiety and stress management may be organized for faculty and students.
8. Providing guidance regarding balanced nutritional diet, distribution of pamphlets and information material on the subject.
9. Frequent organization of sports activities (at least once in a quarter) and encourage students to participate in such activities.
10. Annual health check-ups by volunteer health doctors or voluntary organisations to monitor health & fitness of students, faculty and staff.
11. Data pertaining to health and fitness activities of institutions should be placed on the website. Exemplary performers may be selected subsequently for National level awards.

**ABOUT US**

A young adult spends the majority of their day involved in their university and university related activities. These pursuits may be academic or extracurricular but are heavily motivated and influenced by the values of the institution and the interest of the students. It is also a well-known fact that India produces some of the world's brightest students - who go forward in their lives to become stellar engineers, doctors, architects, and a plethora of other professionals. Our students aspire to become world leaders in their respective fields and in order to support this aspiration it is our responsibility to teach them to regulate their mental and physical abilities.

With the willing of all the people on campus toward the Heartfulness Institute would like to propose a series of offerings to establish a peaceful, harmonious setting across University campuses in India. The Heartful campus program is designed to evoke peace, harmony, and well-being amongst all campus dwellers using meditation as the fundamental tool. We have a range of offerings starting with the senior leaders of the institution who set the direction, the faculty who are directly involved with the students, the students themselves, the administrative staff who keep the institution running, the counselors who are directly concerned about the mental well-being of the students, and the parents who send their words to the institution with lot of hope and faith.

Heartfulness Education Trust (HET) comes under the umbrella of a group of organizations, including Sri Ram Chandra Mission (SRCM), Sahaj Marg Spirituality Foundation (SMSF), and Heartfulness Institute (HI), all working towards the common cause of social transformation by offering self-development meditation tools for individual change.

Date: 21<sup>st</sup> June 2022

Yoga's significance in our lives cannot be overstated. It has proven to be a blessing in a world that is struggling to cope with a fast-paced lifestyle and the negative consequences of the Covid-19 pandemic. Yoga asanas have wowed people all around the world. As a result, the International Day of Yoga is significant in our lives.

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice that plays an important role in relaxing the mind and body and boosting people's immune systems.

The idea of the International Day of Yoga was first proposed by Prime Minister Narendra Modi in 2014. The first International Day of Yoga was celebrated the next year on June 21. The day is recognized by the United Nations. The theme for this year's International Day of Yoga is 'Yoga for Humanity'. It focuses on how yoga may help people achieve holistic health.

Today, on 21st June 2022, CSIBER Trust's CNCVCW celebrated the 8th International Yoga Day from 09 am to 10 am at the Basement Hall. It was attended by thirty-five Professors and administrative staff with great enthusiasm.

The event began with a brief introduction on Yoga Day by NSS Coordinator Ms. Tejaswini Chile by welcoming the guest of honour Principal Dr. A. R. Kulkarni as Yoga Instructor. The session began by seeking the blessings of the Almighty by chanting the prayer by Asst. Prof. Ms. Swarda Deshpande. The yoga instructor, Principal Dr. A.R. Kulkarni, took the yoga session with great dedication. The teachers and administrative staff participated with full interest, enthusiasm, and eagerness. Asanas starting with warming up and stretching were followed by a series of Padmasana, Sukhasana, Tadasana, and Bhujang Asana and ending with Garudasana. Exercises for relieving stress, reducing joint pain, and enhancing the flexibility of the back were also done for the benefit of the teachers.

The program concluded with the Sankalpa and Shanti path. In a nutshell, the event was a great success and reflected the theme "Yoga for Humanity". The 8th International Yoga Day celebrations ended with a huge success under the supervision of the NSS Coordinator Ms. Tejaswini Chile and NSS Chairperson Mrs. Archana Patil.

The function ended with a vote of thanks by Mrs. Anuradha Kumbhar Coordinator of the Day Observing Committee.
