Title of Add on Program - Certificate Add on Course Japanese Language -Level I

Outcomes of the Program : 1. Help students to increase employment opportunities.

2. Additional skill development

Duration of the Program : 90 contact hours

No. of Credits- 6 credits

Date of commencement : 01.08.2019

Date of Completion : 22.02.2020

Subject Expert : Mrs.Snehal Shetge (Japanese Language)

No of students enrolled : Japanese -45 students from Department of Fashion Design, Food Technology, Interior Design, Multimedia, Commerce and Environment Science respectively.

Learning a new language develops students ability to gain knowledge about different culture, history and literature of a country. Knowing an international language can serve as a window to another number of job opportunities. Knowing a foreign language will help students to set apart in any profession and open up infinite job opportunities world wide. There is also a very high demand for foreign language translators and students can get job opportunities. Certificates were given to the students after completion of program.
