Dear Sir/ madam

We are pleased to inform that ours is leading engineering institute runs most of competitive courses in engineering, one of them is Textile Engg. Every year our institute organizes various national level technical events for students, in continuation to this our dept. of Textile Engg. is organizing 'Sfilata-19' A National Level Design & Technical Symposium on 15th March 2019.

This is our 18th consecutive year, that we are successfully organizing such type of events. The Sfilata is getting popularity in all over India and we are continuously getting added response from students of almost all academic institutes. Sfilata-19 includes virus competitions viz Paper presentation, Garment Design Competition, Poster Presentation, Fashion Illustration & Sketching, Accessories Designing and Project Marketing. Around 500 students are expected to participate in the event from all over India along with faculties and parents as a spectators.

We will be grateful to you, if you extend your involvement in the said event by providing student participations form your institute.

Thanking You,

Dr. Ganesh Kakad

Sub: "Sfilata-17" Nation Level Design & Technical Symposium to be organised on 10th March 2017.

Dear Sir/madam

We are pleased to inform that ours is leading engineering institute runs most of competitive courses in engineering, one of them is Textile Engg. Every year our institute organizes various national level technical events for students, in continuation to this our dept. of Textile Engg. is organizing 'Sfilata-17' a National Level Design & Technical Symposium on 10th March 2017.

This is our 16th consecutive year that we are successfully organizing such type of events. The Sfilata is getting popularity in all over India and we are continuously getting added response from students of almost all academic institutes. Along with Paper Presentation, Real Model Draping, Garment Design Competition, Accessories Designing and Fashion Sketching & Illustration, near about 800 students are expected to participate in the event from all over India along with 1000 other students, faculties and parents as spectators. Since this is a national level co-curricular event and all its happenings are covered by prominent print and digital media in the central India.

We will be grateful to you, if you extend your involvement in the said event by providing student participations from your institute.

Thanking You,

Prof. Ganesh Kakad
Head, Textile Engg. Dept.
