An IQAC Initiative

One week faculty development programme in 'Use of Microsoft Excel in Research' was organized by IQAC for Teaching and Non-teaching staff of the college from 10th to 16th December 2020. The one week FDP programme provided participants a comprehensive understanding of "USE OF MICROSOFT EXCEL IN RESEARCH" and conducting hands on training in Excel, Data analysis, Data validation, Data Visualization, Analysis tool pack to have fruitful conclusion. The programme was designed to be generic in nature to satisfy the needs of the faculty pursuing research in any field. This was a unique FDP where teaching staff, Clerical staff and attendant were enrolled to undergo training as a part of Capacity Building. This can be one of the best practice. The notice of the same was circulated four days before the programme. (Annexure 1).

Objectives of the programme:
- To explicate the participants about Microsoft excel in research.
- To adopt the functions of Excel components.
- To learn entering and editing data, formatting data & cell, create & modify charts, including built in functions.
- To study the functions of Data analysis and Statistical data analysis.

Course Content:
- Keynote on Importance of research and use of Excel.
- Data Analysis and Business Module through Excel
- Exploratory Data Analysis (EDA).
- Advanced Conditional Formatting, Working with basic Excel.
- Use of Excel in Data Mining.
- Basic Data Analysis.
- Excellence in Research
- Validating Data, Data Visualization using excel.
- Importing and exporting data. Installing an analysis tool pack.
- Statistical Analysis using excel.

About the participants:

There were total 20 participants from teaching and non-teaching faculty.(Annexure 2).
