Resolution: The AQAR for the year 2019-20 is under process and as per the NAAC latest notification, it is finalized to submit the same on or before 30th April 2020.

Agenda3: Preparation of the Vision Plan by 2025.

Resolution: IQAC decided to frame the Vision plan of the college. As the college is in its 25 years of establishment it has planned to have a long term vision plan. The members of the committee had a detailed discussion and prepared the vision plan. The same is enclosed here as the Annexure I

Agenda 4: Finalization of Schedule of National seminar to be organized by Food Technology and Interior Design Department and Design competition to be organized by Fashion Design Department.

Resolution: Respective department representative in the committee presented the Schedule of the National Seminar and Competition in front of the IQAC committee members and same was approved with minor corrections. The schedule of all the three events is enclosed as Annexure II.

Agenda 5: To take note of Mentoring System initiated by each department.

Resolution: In order to improve quality of internship reports, Capacity building training programmes for better employment, Entrepreneurship development and guidance for higher education mentoring system should be developed in the department.

The members unanimously decided to have a mentoring system in in each department for the final year students. A ratio of Mentoring to mentee of 1:10 should be maintained.

Agenda 6: Discussion regarding organizing of Convocation for the very first time in the college.

Resolution: As per the guidelines of the affiliating Shivaji University, Kolhapur the convocation was for the very first time to be organized by the college itself. So it was decided to have the convocation in the first week of March 2020. It was strictly advised to follow the protocol given by the university. The Committee member also insisted in designing and making of convocation gowns. This job of designing and making of Convocation gown was given to Fashion Design Department,. It was also decided to make 50 Convocation gowns in a very less time span of 20 days. The Examination coordinator of the college was given the responsibility of preparing the schedule and all the other preparation of the convocation ceremony.

Agenda 7: To discuss regarding the MoU signed with Department of Technology Shivaji University by Food technology department.

Resolution : It was informed to all the mebers of the IQAC committee that the Department of Food Technology has signed the MoU with Department of Technology Shivaji University. Principal sir informed the members that it was for the very first time in the history where a university has signed a MoU with a undergraduate college. All the members appreciated the same and congratulated the department for their achievements. A Copy of the MoU is enclosed as Annexure III.

Agenda 8: Any other item with permission of the chair.

Resolution: No other item was taken for the discussion.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) entered on the 29th January 2020.

By and Between

CADD Centre, Sambhaji Nagar, Kolhapur having its office at Plot No 3, Thakkar Business Centre, 3rd Floor, Old More Colony, Opp Sambhaji Nagar Bus Stand, Sambhaji Nagar, Kolhapur – 416 007 (hereinafter referred as “CADD CENTRE” for the sake of brevity) and represented by its **Business Head, Mr. Dhaval Bagawade** (which expression shall mean and include its successors in office and assigns)

and

C.S.I.B.E.R. Trust’s College of Non-Conventional and Vocational Courses for Women (hereinafter referred as “College” for the sake of brevity), an Interior Designing College affiliated to Shivaji University having its campus at University Road, Tal Karveer, Dist Kolhapur – 416 113 and represented by its **Principal** (which expression shall mean and include its successors in office and assigns)

Objectives of the Collaboration:

1. To provide employable skills to the student during their course at the college.
2. Make the student aware of the latest tools and techniques at an affordable fee in order to keep them industry ready at the end of their course.
3. Maximize placement opportunities for students from all the courses.
4. To build the confidence level of the student to face the challenges of the real time.

This Memorandum of Understanding is to conduct a **Unique, Systematic and Employable Skills Development Program** for the students of the college towards achieving the objective of maximizing the employable opportunities for students of the College.

This Memorandum of Understanding states the terms and conditions under which the **Trainings** shall be conducted by CADD Centre at the College premises and lists herein the respective responsibilities of both parties.

PREAMBLE:

For a student to be recruited by a good company, over and above the subject knowledge, he/she is expected to have the following:

1. Strong Fundamental Engineering Knowledge.
2. Engineering related Multiple Technical Skills - Develop skills that add value.
3. Project Management & Operational excellence - Learn & Acquire the Skills.
4. Communication & other Soft Skills.

While Subject Knowledge would be provided by the college, CADD Centre will equip the students with required industry specific technical, project management and people skills.

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidates. This is because of the skill gap that exists between academic institutions and industry requirements. This skill gap is sought to be minimized for the students of the "College" by facilitating them to acquire the appropriate and relevant skills at the college itself.

Through this collaboration, CADD CENTRE will prepare the students of the "College" to be ready for industry by the time they enter the final semester and for this the students have to be nurtured and trained in different areas from the very beginning. Keeping in mind the academic program and the progressive skill development cycle in mind, the programs are spread across their semesters.

CADD Centre shall provide

- The required trainers for the course and the training program would be Instructor led.
- Comprehensive CADD Centre reference books to all students for 3D's Max course as part of the course.
- Periodical assessment on the progress of students for their further improvements.
- The 'Certificate of course completion on 3D's Max' to every student who successfully participates in the training program every semester.

- The 'Certificate of Participation' on other value added programs to every student who successfully participates in the training program. The certificate will be issued with logo of C.N.C.V.C.W.
- "Certificate of Association" from CADD Centre to the college.
- Provide Permission to use CADD Centre logo as the Skill Development Partner.
- Organize Campus and Off-Campus interviews for the final year students based on the requirements for CADD Centre and its clients.
- Welcome College to use **CADD Centre**, strategically based on the need.

The College Shall Provide

- The required number of computer systems in the lab and other required infrastructure for the practice and its maintenance.
- The Class rooms with LCD projector for the theory classes.
- The Schedule with the classes for this training during normal hours of the college.
- The supports to ensure, all students in a class, attend the training programs scheduled for them.
- Disciplinary support for the smooth conduct and timely completion of the entire course.

PARTICIPANTS:

The participants would be of Interior Designing branch students.

COURSE CONTENTS

CADD Centre in consultation with the College shall finalize the course contents for the skills development program.

TIME SCHEDULE

The program(s) will be conducted during working hours mutually decided by CADD Centre and College. The students will be divided into batches, depending on the total strength based on requirements.

LINK OFFICER

The Principal of the College shall appoint a Link Officer from each department for the duration of the program, who shall liaise with CADD Centre and make the training process learner-friendly and effective. CADD Centre shall work in close relationship with the Link Officer, who in-turn shall keep a close touch with the students. In the event of any difference of opinion between CADD Centre and the Link Officer, the matter should be referred to the **Principal of the College**, whose decision thereon shall be final and binding on both the parties.

COURSE FEES & PAYMENT PATTERN

The course fee per student is decided and mutually agreed upon by both the parties. The College shall collect the course fee from the students and pay to CADD Centre.

VALIDITY

This Memorandum of Understanding shall be valid for 1 year from 29th January 2020.

Agenda 1: To read and confirm the minutes of the previous meeting held on 3rd February 2020.

Resolution: The minutes of the previous meeting held on 3rd February 2020 were read and confirmed by the members of the committee.

Agenda 2: To take note on submission of AQAR 2019-20.

Resolution: Preparation of AQAR 2019-20 is still under process and could not be completed as scheduled on 30th April 2020 because of lockdown of entire college due to COVID-19 pandemic situation.

Agenda 3: Review the feedback taken from Students, Teachers, Parents, Alumni and Employers.

Resolution: Feedback is taken from students, teachers, employers, alumni and parents. This feedback helps to know the efficiency of teaching and learning process, student's understanding of the subjects and the overall outcome of the programme. Suggestions from employers, teachers, parents, alumni and students are beneficial for further improvement in curriculum and co-curriculum aspects.

Students suggested:

- To provide pre-reading material (soft or hard copy).
- Emphasized for more Add-on Courses.
- To organize more field/industry visits.
- To organize training programme or orientation lectures for preparing entrance examination for Master Degree Programme.
- To start Post Graduation Programmes in Food Science, Fashion Designing and Interior Designing.

Teachers suggested:

- Choice Based Credit System to be implemented to all the programmes in a phased manner subject to approval from Shivaji University, Kolhapur.
- Development of E-Content for each course.

- Strengthening ICT facility to each classroom.
- Setting up of well-equipped Language Lab.
- To organize in-house FDPs.

Employer suggested:

- To bridge gap between existing curriculum and expectations by the employer. This gap was bridged by introducing two to six credits courses in their functional areas. This will certainly enhance the employability of the students.
- To organize more industrial/field visits.

Alumni suggested:

- To improve the placement activities of the college.
- To conduct more workshops, guest lectures and software courses for extra skill development, as it had more demand in market and will increase the employability of the students. According to their suggestion, value added courses were initiated by the concerned department.
- To start post graduate diploma in fashion designing and college agreed to consider their suggestion.
- To increase the number of library books. New books were purchased through annual book exhibition and book suppliers as per their suggestions.

Parents suggested:

- To provide direct intimation to them about examination fees and extra fees of add on courses (if any) through sms and it was also agreed and implemented by the college.
- To start a college bus for nearby out station students. This suggestion was not feasible hence it was not considered.
- To give 15 minutes break after every two hours of lectures and it was agreed to give this break according to the convenience of department.
- To take their consent from parents regarding in-plant training and its location.

It was resolved to consider all the above suggestion.

Agenda 4: Review the social outreach activity conducted during the year.

Resolution: Various activities were conducted by the three major departments with respect to social outreach activity. These social outreach activity was also highlighted as the best practice for the academic year 2019-20
Social outreach and services are those that extend our human talent and technological capacity to serve in our communities, our state, the nation and the world.

At the heart of the commitment are the values of engagement and communication. The specific goal is to improve and enhance the health and well-being of our communities and environment through outreach programs and

collaboration with our constituents to implement a new vision for engagement and outreach at some nearby places for health, hygiene and well-being through counseling the communities and to produce a measurable output.

Dept. of Food Technology –

Nutritional Awareness:

Social Outreach Programmes in Food and nutrition are designed to train community members regarding developing healthy life-styles, particularly in improving nutrition and promoting physical activity. Department of Food Technology has organized various Social Outreach Programmes through lectures, Demonstrations of healthy recipes, Street plays etc. These activities aimed to improve knowledge and behavior amongst community in order to prevent life-style related diseases and chronic health conditions. Such activities benefited pre-school, school going children and women of reproductive age.

Dept. of Interior Design -

Raising awareness among communities of Rashivde village in a form of hygienic concern and by giving a proper interior layout plan for the Rashivde Grampanchayat also developing an alternative landscape plan for the Gramdevat Temple.

The beneficiary were the local communities to whom the importance of proper sanitation was conveyed in form of slogan so as to make them aware. Of health and hygiene. As well as the Rashivde Grampanchayat and its staff along with the Talati and Grampanchayat chairman and his members were benefitted with direct site work done by students raising the existing interior layout. Of grampanchyat office to meet proper circulation and space utilization. Another targeted social outreach was the Gramdevat Temple. For which the student drafted on site landscape layout alternative plan which was to be beneficial for entire Rashivde community thus the interior department along with student and the staff conducted very successful outreach program.

Dept. of Fashion Design –

Skill Training:

Woman workers from Grape wine were identified and trained for cutting, stitching and printing shopping bags in different size and shapes. Staff and students were involved in this practice. Under the collaboration with Fresh Express, Sangli Training Program was organized through Sakhi Ladies Training Work. Total 30 ladies were trained under the label of Grape with Heart. The same shopping bags made by these ladies workers were displayed and distributed in Berlin Fruit Logistica – An International Fruit Conferene.

The positive outcome of the practice can be highlighted as:

- Healthy participation of staff and students.
- An increase in the confidence level and improvement in personality of the students as they are exposed to field experiences and learn to handle project from scratch till execution.
- These experiences will boost their site knowledge and help them in their future career.
