2.4.3. Temporary Appointments - Justification

University has given approval for post of all the programmes. However, selection of teachers through university selection committee is pending due to reservation criteria of Govt. of Maharashtra. As a result the selection of posts of teachers is done by Local Managing Committee of the college for an academic year. These approvals are given only for single academic year. The permanent selection of post of teachers is done by the University Selection Committee.

As on today, only six teachers are appointed through the University Selection Committee as permanent teachers. Selection of teachers through University Selection Committee is in process.
