110 responses

Nothing

No

No suggestions

1. Do not partiality.
2. Be friendly with all the students.
3. Give recent information about the particular area to the students.

Their is no need.

Nothing

English speaking, group discussion, proper practical

- 1) including more extracurricular activities
- 2) should conduct activities that to improve soft skills, communication skills
- 3) arranging more industrial visit for practical knowledge

Very nice

No any suggestions

We lucky to meet our teachers. Thank u our all the ma'am. My role model is our ma'am.

Need campus interview

Hier good experience teachers and provide all the tools and equipments to the students

Attention, more information,

Provide necessary equipment to students, arrange job opportunity & internships, & better internet (wifi)

- 1) Give more attention towards student's Communication skills and Presentation Skills so in future they may easily face the situations.
 - 2) Make it *compulsory* that the Regular alternate-day for the *Question-answer session on previous learned point* while teaching so student will pay strict attention in lectures.
 - 3) In online lecture mode take fun interactive session in between study so student will enjoy both. No Comments on teacher's Teaching techniques as they are Good at their work.
- Pay more attention on point 1 & 2
Thank you.

It is very well done education process

Highly qualified staff, extra curriculum

More information, encourage, practice.

Excellent teaching.

Good

Every thing is good

Overall everything is perfect nothing to change in it.

There is no need to suggest

More opportunities for the internship
More job opportunities

Give proper guidance to students for project work
Don't discourage them they are doing this first time

Very good

Practical knowledge should be given more

Teachers communicate with students was always effective
The quality of teaching process of our institute was very good

no suggestions because this institute is best overall

Give proper guidance to students for project work... Dont discourage them they are doing this first time.

Good teaching for fashion department

Provide proper guidelines to the students who have lack of communication skill..

Practical learning should be there

Good and improvised instruments for experiments and clean laboratory..
Proper cleaning of washrooms and availability of water over there..

Find better staff otherwise please close the course.

We should be more engrossed and inculcating towards our courses like for BMM, we should have more knowledge about fieldwork rather than making notes.

College can provide equipment's and labs for BMM, as our future depends upon that.

Stop internal inequality

Software teaching have to improve,like coral.

Very good

No suggestion

- 1) Institution should provide internships by them itself to the students every year.
- 2) Teachers should teach with a genuine interest
- 3) Teachers should give knowledge to the students about their further career options.

No need to add anything . They are doing great job.

very good learning experience
the overall quality of teaching processes in our institute was very effective
teachers encourage to participate in every programs that very helpful for students

More opportunities for placements

Better laboratory
Focus on the future scope
Better coordination

Improve communication skills n internship programs and also need industry visit. Arrange the job opportunities please

Increase the Computer lectures so students will improve their digital knowledge .

Good facility and my experience is a very nice

Excellent teaching

Avoid partiality in students, add new courses which will be useful for the students in job field, improve the quality of education.

Good

Sports must be their

- 1.College need to provide employment opportunities for every student.
2. In this Covid-19 pandemic college should be interested in giving internships to students for their better field experience.
3. Practical knowledge(field work) rather than theory should be emphasized by the college.

Fluency in english language of teachers.

Technical teaching.

Encourage field visit, internship and placements

Nothing everything's fine

No recommendations

Great teaching. Communication, satisfactory

Practical knowledge

Campus selection opportunities

No...all is very good

include more practical knowledge campus selection should be there in college

We expect professors guidance rather than personal politics

Proper completion of syllabus

More time for guiding

Online sessions should be explained properly

More Practical Knowledge can be given.

Internal assessment should be based on academic performance only.

1. Motivates the students for maintaining their own skills & qualities

2. Should take more effort for girls empowerment

3. Should arrange more extra curricular activities in college

Teach us with more examples

More practical knowledge about field work

College should focus on campus selection for jobs

There should be more practicals than theory lectures

Improvement in understanding of students

Placement for the students

Good

Very good teaching

College staff is very biased

Demotivates children

Expects everyone to behave as their slave.

Never guides students

This college experience has been horrifying to me

1. Add extracurricular
2. Reduce college time on Saturdays

Its good no suggestions

1. To stop doing partiality
2. Teachers should stop giving attention to only one student.

Campus selection should be there.

Increase sports activities and decrease politics.

Very good teaching

No suggestions

- 1) try to reach every student and ask for doubts.
- 2) Allow students to work together.
- 3) Encourage self-reflection.

Everything is good

Nothing much

1. Update syllabus time to time.
2. Add more practical knowledge than theory.

Do not do partiality with students .Give recent knowledge about particular area. Be fair with all students

Proper elements of practical

No one queries it is all good teaching and learning

1. Teachers need to inform about expected competencies, course outcomes & programme outcomes.
2. The college needs to take active interest in field visit opportunities for students.

Better Management

Encouraging students rather than demotivating

Improvement of Communication skills

About project work give student proper information and guide them properly....

Dont discourage them they are doing it first time.

...

The equipments should be available that are much needed for the subjects. The lectures need to be taken as the timetable. Much more time should be provide for the practical sessions

Teaching experience is satisfactory

Very Good

Teaching is perfect

To give us information about internships and more opportunities towards our subject.

To give us information about internship and more opportunities towards our subject.
