Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e., the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But he should also play games and sports to enjoy the health and vigour of life. Along with bookish learning, a student should spend his time on games and sports also. Either studying or working alone makes us exhausted. We remain no longer efficient to do any work. Sports remove our mental exhaustion. Education without sports is incomplete.

On 6th to 8th January 2017, our college celebrated Annual Sports Day with great enthusiasm. On this special day, Dr. Vidya Salokhe the principal of CNCVCW, Kolhapur was our chief guest. The Department of Physical Education and Sports marks itself as one of the most efficacious Department of CSIBER Trust's CNCVCW, Kolhapur. It strives to excel at all levels and bring laurels to the college. With the help of college faculty, we are continuously improving in the sports field.
