

GENDER SENSITIZATION ACTION PLAN

CNCVCW College as a girl's college itself proves to gender equality. College believes and promotes, motivate girl students for their overall development in their respective functional areas as well as to grow their individuality and professional personality that will help them in their future.

Our college has Action plan Gender Sensitization:

1. To insure students safety and security in the campus
2. To review the internal complaints if any
3. Continue to conduct events on gender equality
4. To conduct events and programmes on gender equality social media and cyber security
5. To conduct activities for girls to know their potential
6. To impart counselling needed in case of any situation
7. Provision of common room or ladies room on each floor
8. Providing security by installing CCTV at strategic locations of campus
9. The college organises 'Self-defense training' for the girl students
