21	Observations / suggestions given by students to improve the overall teaching - learning experience in the institution: Student Satisfaction Survey was carried out in prescribed format through google platform. As per the requirement third year students and PG students were taken as the respondents. A total of 181 students out of 199 (91%) responded to the survey. The responses were taken on 4 point scale for interpreting the data, five classes were identified. <div style="display: flex; justify-content: flex-end;"><div style="text-align: right;"><div>> 80 A- Excellent</div><div>70 - 80 B - Very Good</div><div>60 - 70 C- Good</div><div>50 - 60 D - Poor</div><div>< 50 E- Very Poor</div></div> The average score of the SSS on all questions was 78.4% that is very good response on teaching learning process. The data with two highest scores of 85.6 & 84.1 indicates that how well teachers were able to communicate, follow up with assigned task, illustration of concept through examples & application respectively. Two minimum scores were 73.5 & 72.5 for mentoring process for social emotional growth and percentage of ICT tools respectively. From SSS it is concluded that ICT facility in classrooms, promoting internship, student exchange field opportunities and mentoring process be strengthened. Suggestions made by the Students: More emphasis should be given on 1) Strengthening Personality Development Programmes. 2) Mobile should be banned to carry with them during lecture hours. 3) More efforts to be taken by college for internships.</div>
